Disclosure pursuant to requirements of the Electricity Distribution Information Disclosure Determination 2012. Horizon Energy Distribution Limited, trading as Horizon Networks, is the Eastern Bay of Plenty's electricity distribution business that owns and operates the physical infrastructure (poles and lines) that deliver electricity to your property. Horizon Networks is not your electricity retailer. The prices charged by your retailer may be different to those charged by Horizon Networks to your retailer. Horizon Networks' charges relate only to the cost of providing electricity distribution services. If unsure about the pricing, Horizon Networks recommend that customers contact their usual retailer to get a better understanding about the process and the difference between Horizon Networks pricing and the retailer's pricing.
